FIG.10

FIG. 10 is a schematic diagram of a circular device 10(20). The device includes a central circular component 10a(20a) surrounded by a larger circular area 10b. A curved boundary 10c separates the central area from the outer area. Various internal components are labeled, including 31, 32, 41d(15), 42, 43, 45, and 46. A dashed line L-L' indicates a cross-section through the device.
